

## **Privacy Policy for SUN Behind the Walls**

**Effective Date:** October 31, 2024

StartingUp Business Solutions (“we,” “us,” or “our”) is committed to protecting your privacy. This Privacy Policy explains our practices regarding the SUN Behind the Walls application suite (“App”) and any data interactions therein. By using the App, you agree to the practices described in this policy.

### **1. Information Collection and Usage**

#### **No Collection of Personal Information:**

StartingUp Business Solutions does not collect, store, or process any personal information or data through the SUN Behind the Walls App. No account creation, email collection, or user registration is required to use the App. All app functions are fully accessible without sharing personal information.

#### **Offline Data Storage:**

All data within the App is saved directly to your device’s local storage, ensuring that no information is transmitted to StartingUp Business Solutions or any third-party server.

### **2. Data Management and Security**

#### **Local Storage:**

All data generated or inputted by you within the SUN Behind the Walls App suite is stored on your device alone. This includes any financial, business planning, or other sensitive data. Data can be saved locally for offline access, ensuring it remains under your control.

#### **Data Export:**

You may choose to export data, such as financial reports or business plans, as PDF files. This feature is designed to give you full control over the use and sharing of your data. StartingUp Business Solutions does not have access to these files or any data contained within them.

#### **No Third-Party Access:**

We do not share, sell, or otherwise distribute any user information, as none is collected. We also do not work with third-party data processors, advertisers, or analytics providers.

### **3. User Privacy and Control**

#### **Data Privacy:**

As no user data is collected by StartingUp Business Solutions, you can rest assured that your information remains private and under your control. The SUN Behind the Walls App is designed to be a secure and private tool for business planning and financial management.

#### **Data Deletion:**

Since all data is saved locally, you may delete the App or specific files at any time to remove all associated data from your device. StartingUp Business Solutions has no access to recover or delete your data on your behalf.

### **4. Updates to the Privacy Policy**

This Privacy Policy may be updated periodically to reflect changes to our practices, technologies, or regulatory requirements. We encourage you to review this policy from time to time. Any updates will be noted in the “Effective Date” at the top of this policy.

### **5. Contact Us**
